

Success Plan at a Glance

Cotee River Elementary School

7515 Plathe Road, New Port Richey, FL 34653
Sharon Sacco Slusser, School Principal

GOAL 1

High Impact Instruction

Intentionally plan tasks that align with the rigor of the standards and application of the common core ELA and Math Shifts.

Staff members will engage in professional development, coaching cycles and learning walkthroughs.

PLC's will take time to reflect and discuss how to maintain a collective responsibility.

PLC's will collaboratively plan to ensure instruction is rigorous and aligned with the progression of standards (guiding questions 1-4).

Data Driven Decisions

Build equitable learning experiences so that all students achieve learning through the tier levels of support.

Formative and summative assessment data will be used to make instructional decisions and align supports.

Systematic approach to phonics instruction will be utilized across grade levels.

Increase inclusion opportunities for our students.

GOAL 2

GOAL 3

Collaborative Culture

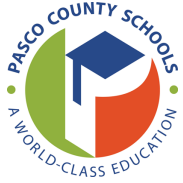

Promote personal growth and sense of community and belonging, in a trauma sensitive culture.

Student Wrap Around Services Team will engage in weekly PLC meeting to analyze EWS data.

PBIS Team will engage in monthly PLC meetings to reflect and improve upon an school-wide action plan.

Engage in community outreach in order to meet the needs of our families.

Increase our knowledge and practices when responding to students' emotional/behavioral well being needs.

Cotee River Elementary School is part of the Pasco County School System.

Kurt S. Browning, Superintendent of Schools
