

Dear Families,

Yesterday was a very exciting day as we kicked off our annual Apex Fun Run with a Pep Rally! Students learned that over the next two weeks that they will get the chance help their school (and our classroom) by earning pledges. And the best part is Apex Fun Run introduced their new leadership theme: **APEX UNITED!**

*Together
We Are More*

Unique

No Excuses

Inspire Others

Teachable

Empathize

Do Your Best

We are all getting excited about health and fitness here at Cotee River Elementary! The Apex Fun Run athletes will be on campus teaching us about these awesome leadership lessons and playing games during lunch and recess.

Yesterday, your student came home with a pledge kit. This pledge kit has all the information regarding the Fun Run inside, so be sure to open in it up and take a look. One of my favorite parts about the Fun Run is every student is included regardless of financial participation. Each student will receive a wristband every day pertaining to that day's leadership lesson. I encourage you to ask your student about each wristband at home to continue conversation on the leadership lessons.

Be on the lookout for daily updates regarding our pledge totals as a class along with other information regarding the Fun Run next week.

Thank you!

Coaches Clawson, Engh & Terranova
