**Recycling** – Did you know that CRES has a green dumpster (located at the front of the school along the loop, by the PLACE turn off) where you can donate ANY kind of paper good for recycling? Help us to help the environment by saving all the paper trash including newspaper, cardboard, and packaging. By placing these items in our green dumpster, you also help CRES earn \$\$\$\$! Every little bit helps. Also we have battery recycling drop off next to the dumpster and at the front entrance of the office. You will also find attached to our newsletter a flyer for recycling plastic bags and other household plastics that we have started collecting, we have a container in our Café and the Front Office. We appreciate your support.

### MyStudent Access –

Please be sure to sign up online to create a parent account, see below on directions.

**New Raptor System –** Many families many already know, but as of 3/26 District has updated our Raptor System at all schools. Please bring your ID into school so it can be updated into the new system.

### Parent/Guardian:

This year, 4<sup>th</sup> quarter report cards will be available online in the myStudent portal after final state assessment data is received and loaded into the student information system. What this means for families is that paper report cards will not be mailed home; report cards only will be accessed in the parent and student portals of myStudent. We expect to receive the state assessment results by the end of June. Report cards will be available shortly thereafter. We will notify all families by phone message when report cards become available for families to view.

Then click on the Parent Access to myStudent link below the video. Each school has identified staff members to help parents who need assistance setting up an account.
