Dear Community Business,

Community engagement remains an essential part of our continued success at Cotee River Elementary. Partnerships between local businesses and our school not only enhance the educational experience of our students but also strengthen the bonds within our community.

We invite you to join us as a valued Community Business Partner for the 2026-2027 school year. Your participation can take many forms- from volunteering your time and expertise to contributing products, services, or financial support. In return, our partners receive meaningful recognition and the opportunity to connect with families and fellow community members who value your commitment to education.

Enclosed you will find a Partner Information Form and a Sponsorship Level Guide, which outlines the various ways your business can participate, and benefits associated with each level. If you wish to become a sponsor, please complete the enclosed form and return it along with your contribution.

We welcome the opportunity to meet with you at your convenience to discuss potential partnership opportunities in greater detail. Please feel free to contact our office to arrange a meeting or ask any questions you may have.

Thank you for your continued support of our students, staff, and programs. Together, we can make a lasting impact on the future of our community.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Radcliffe", with a stylized flourish at the end.
