WHY PARTNER WITH COTEE RIVER ELEMENTARY?

The purpose of business partnerships is to strengthen the educational process through collaboration between the school and the community it serves.

As an educational partner, you can help prepare our scholars to become responsible, accomplished, and confident leaders while helping develop the future workforce your company will desire and need.

YOUR PARTNERSHIP HELPS:

- ✓ Support student success and academic achievement
- ✓ Invest in the future workforce of our community
- ✓ Increase visibility for your business
- ✓ Connect with local families and community members
- ✓ Demonstrate a commitment to education and community growth
