Dear Parents/Guardians,

At Cotee River Elementary School we strive to meet the needs of the whole child. This year we will continue to implement our school-wide behavior plan to follow a PBIS model. PBIS stands for Positive Behavior Intervention and Supports. PBIS is a proactive approach to establish the behavioral supports and social culture needed for all scholars to achieve social, emotional and academic success. In addition, we have infused Conscious Discipline methods that ensure our scholars feel safe and cared for each day.

Please review this brochure and student code of conduct with your child. Thank you for your support of this program at home!

Sincerely,  
Cotee River Elementary School
